Additional Information

EducationUSA Advising Centers actively promote U.S. higher education around the world by offering accurate, comprehensive, and current information about educational institutions in the United States and guidance to qualified individuals on how best to access those opportunities. Millions of prospective students learn about U.S. study opportunities through EducationUSA centers around the world each year. EducationUSA Montenegro has a single adviser, helping hundreds of Montenegrin students learn more about studying in the USA and dozens of them apply and successfully get in their schools of choice on both undergraduate and graduate level.
